

Guidelines for Mascots, Teams & Spectators

Mascots & Team Spirit

Each team must have a mascot to help create energy and keep spirits high.

- Mascots are not permitted on the dance floor, except during:
 - The Parade of Teams
 - Team Announcements / Awards Presentations

We encourage positive cheering, chants, and coordinated team spirit to bring excitement without disruption.

Spectator Guidelines

To ensure a respectful and enjoyable environment for all:

- Spectators must remain off the floor.
- Noisemakers are welcome in moderation, but the following are **not permitted**:
 - Horns
 - Cowbells
 - Megaphones

Team Areas & Decorations

Studios are encouraged to bring **banners, flags, signage, or balloon decorations** to identify and mark their team areas. This will add to the festive atmosphere and help build team identity.
