Group Class Descriptions

Using Fred Astaire's Conceptual Method of Teaching, group classes are designed to introduce material that students will develop, refine, and polish through private lessons. Please be sure to speak with your instructor if you have questions about the group classes we offer!

Beginner: The goal of this class is to learn and review basic patterns in a newcomer-level setting.

Social Foundation: Tailored to the attendees of the class, this group class focuses on more intricate patterns, leading/following skills, and dance characteristics.

Bronze (Preliminary & Intermediate): Ask your instructor which Bronze classes are right for you! The Preliminary Bronze classes present Bronze syllabus steps 1 through 5, and Intermediate classes present steps 6-10.

Bronze (Senior & Final): This advanced class provides dance steps 11-20 from the Bronze syllabus.

Silver: The goal of this class is to learn and dance the Silver syllabus patterns.

Specialty/Formation: A class in preparation for an event, or otherwise. Additional fees may apply.

Any Level: These classes are offered to students from Beginner to Silver to enhance your dance education.

Practice Party: This 90-minute social dance is a great way to practice your dancing and connect with the FADS Dedham Square community!

Please note: We reserve the right to cancel any classes with less than three (3) attendees signed up in advance.
