Start off the year with your Right (or Left) foot forward.</p> <p>The Guest Party...</p> <p>It's the beginning of a new year. Many people make resolutions to better themselves. More exercise, less screen time, be more social, and on and on... This year, you COULD start the year off doing all three at once! Bring a guest to the Champagne Guest Party on Monday January 16th, and you'll get some exercise, you won't be watching your screens and you'll be social as you hang out with your guest and your teachers!</p> <p>Are You Practicing??</p> <p>Did you know that you can use the studio space to practice BEFORE or AFTER you lessons?? No, REALLY!! Practice your latin motion in the mirror or some nice long strides using your whole foot. Anyone and Everyone can use a few extra minutes to solidify those lessons.</p> <p>Coach Chantal Lecerc will be here!!! Get your spot now, you will not regret it. Master Class will be at 7. Everyone should be there. Talk with your teachers for details.</p>
