

Fred Astaire Dance Studios - Wisconsin
Welcomes you to

Winter Ball 2024

On behalf of the Fred Astaire Dance Studios - Wisconsin Regional Office, we would like to take this opportunity to welcome you, say thank you, and congratulate all of our participants competing, performing and spectating at this event.

We thank you for taking time from your busy schedules to be here and represent your studio. Your time and dedication, along with your enthusiasm and support, help to make these competitions a great success.

There is nothing quite like putting yourself into the competition atmosphere to develop your dance expression and confidence. Remember, winning happens with your first step on to that dance floor and we praise you for taking that important step. The happiness, & special moments, competing and dancing develops, cannot be measured and will create many wonderful, never fading memories.

Our goal is to make this day a truly memorable experience for you. Once again, we are grateful to have you with us to share the passion of dance. Mr. Fred Astaire himself left us a legacy of expression, grace, sophistication, class, and confidence, which you will experience by simply joining us this weekend!

Your Area Directors,

John Gates & Stephen Knight
